

# NOVUM WALL™

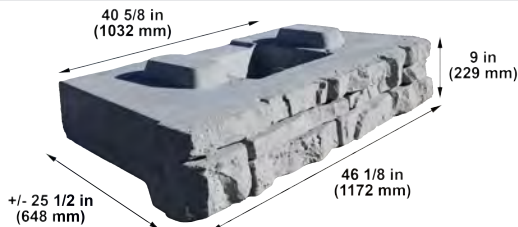

Edina, MN - 50th St. - North of City Hall  
Contractor: SM Hentges

To maintain the aesthetic characteristics used throughout Edina, the City chose Novum - Alpine for street development projects in 2024. The structural performance, and ease of installation, with long-term wetcast durability, made Novum the easy choice for Edina.

Aitkin, MN - Private Residence  
Contractor: Precision Hardscapes

A homeowner desired an economical solution to increase level property in their backyard, but demanded a specific look to match their house. Novum was the right product to meet all their needs.

# NOVUM WALL™

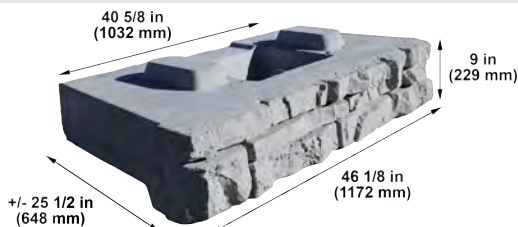

St. Paul, MN - Private Residence  
Contractor: Rosti Construction

Used to replace a failing timber wall, Novum was the solution to keep the homeowners property intact. The Alpine texture gave a unique appearance desirable to the owner.

Buffalo, MN - Private Residence  
Contractor: Homeowner self-performed

An innovative homeowner building a new home wanted a striking entrance to their property. Novum provided the desired look to build pillars for their gated property entrance. Simple, strong, and dramatic, Novum was the right choice for this residence.

# NOVUM WALL™

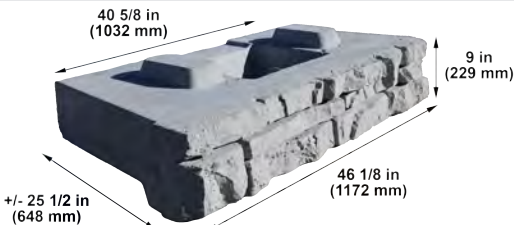

Edina, MN - France Ave  
Contractor: Blakeborough Construction

Continuing on after successful project number 1, the City of Edina again chose Novum - to meet their project needs. The Alpine texture look matches other walls in the City, and was an easy solution to aid in widening the City Road.

Watertown, MN - Private Residence  
Contractor: Mikié's Landscaping
